[Important message to all the players who attends to KWC tour!]

1. Dress code at the Shrine

On July 22, we are going on a visit to Itsukushima Shrine where requires a quite strict dress code. You must wear full pants, socks and a long/short-sleeved shirt with a collar (Polo shirt or Aloha shirt are also fine). T-shirt, tank top, halfpants are NOT allowed. Barefoot no wayyyy!! Bring shoes!

You will have a half day free time after visiting Itsukushima shrine, so we recommend you bring extra clothing for filming afterwards. It's a really nice place to lace and film your tricks!

2. Mutual respect

GLOKEN think that kendama and all of the other sports are the awesome communication tool that unites people of all over the world without concerning the difference in ages, sex, and nationalities.

We understand every player has different thoughts about everything, but we do not appreciate people who tolerate certain political issue, religious discrimination, LGBT discrimination and racism.

We are never going to accept into the KWC tour or KWC venue who will have hate speech or any violent activities of any kind of subjects. We believe that you think the same as we do, but it is really important for you to understand for these kind of sensitive subjects.
